

## MANAGERS COMMENT

Welcome to this month's Bits & Bytes

For those sporting nuts a big weekend past and another one ahead. "Business Continuity and Disaster Recovery". Do you have a plan in the off chance that something does go wrong? We rely on IT equipment to ensure the smooth running of our business's but what happens if we do have hardware failure or data corruption. What are the implications on the business. What are your expectations on down time? We are helping more and more clients work through plans to answer these questions. Give me a call if you wish to know more or have a chat about what plans can be put in place.
